

Guidance for submitting articles to Nurses League journal

- Word or PDF files only (not publisher)
- Pictures separate to the written document are preferable but not essential
- Font Any but Arial font size 12 is easiest. Title and other headings or pieces that should stand out, size 14 and can be bold.
- A4 pages submitted will be equivalent to two A5 journal pages. So an article that is 6 A4 pages would be 12 journal pages therefore please try not to go over a maximum of 2 A4 pages
- Ideally submit by email attachment. It can be hand written but the editor does then have to type it, therefore legible writing please.

Emails submissions to either sondragorick@gmail.com

gavin.shiers@nnuh.nhs.uk
